

The Friends of the Richards Free Library donated funds for our patrons to use for New England museums admission. In order that everyone has a chance to explore our museums, the Friends will reimburse admission charges to any museum in New England. This offer is limited to \$25.00 (not to exceed the admission fees) with one reimbursement per family per year.

You can find a list of some of the amazing museums in New England at the following websites:

- <http://www.nemanet.org>
- <http://www.visitnewengland.com>
