

# Unicorn Slime

## RECIPE:

- 1/2 cup white glue
- 1/2 cup foaming shaving cream
- 1/2 teaspoon borax powder
- 1 cup water
- Blue, pink and yellow neon food coloring

## INSTRUCTIONS:

- In a large bowl, mix glue and shaving cream with a spoon.
- In a separate bowl or cup, mix 1/2 teaspoon of borax in 1 cup of water. Stir until the borax is dissolved. (To speed up this process, place mixture in a glass cup and microwave for 30-60 seconds.)  
Add about a teaspoon of the borax and water mixture into the glue/shaving cream bowl and stir. Knead with your hands and if it's too sticky, add a tiny bit more borax and water mixture.
- Once your fluffy slime recipe is ready, separate into three pieces, and use food coloring to dye each section, and knead separately.
- Combine the sections and gently knead until you have a pretty rainbow mixture. The longer you knead this slime, the more the colors will become combined until it is solid blue-grey.
- \* DO NOT EAT. Not for small children without adult supervision.\*  
Do not make if you have skin allergies to cleaning supplies, glue, food dye or shaving cream.
