BRINGING THE WORLD TO NEWPORT

International Volunteers for Peace will be in Newport for the 34th consecutive year.

Each year since 1986, people from around the world volunteer in Newport. They have painted rooms in the schools, Library Arts Center and the Richards Free Library. They helped to build nature trails and the boardwalk. They have taught Newport students about other cultures. They work with children in Drama Club, Rec Center Day Camp, library programs and Library Arts Center art classes. They are all over town for two weeks each summer.

We hope you can join us for a meet and greet on July 24th.

Maybe you would like to come to the library and discuss your specialty, or teach us something. Please let us know!

VIDEO GAMES

You know we have video games available for you to borrow to play on a variety of systems. But did you know we have a WiiU game console that can be loaned to patrons? Patrons need to be at least 18 years old in order to borrow the system and it can be taken out for two weeks (no renewals).
